Mama Squash Monthly Food Swap!

St. Alexander Church
300 S. Cornell, Villa Park
Sat, Jan 16th 1-3pm

At the January Food Swap, we will cook soup on site for tastings and trade. Come early if you want to visit with us in the kitchen! Need help getting your budget back on track now that the holidays are over? We will share tips and recipes to help you feed your family delicious, nutritious food without breaking the bank.

Mama Squash Market is a food cooperative organizing in Villa Park, IL. We are hosting a monthly Food Swap to be held in the Gym at St. Alexander Church, located at 300 S. Cornell Avenue in Villa Park.

This is a FREE event, but headcount is helpful for planning so please take a minute to register and SHARE this invitation with everyone you know who loves food. Food swaps bring together passionate home cooks, bakers, canners, gardeners and foragers to trade their homemade and homegrown edible goods.

Feel free to make-ahead and bring items still frozen – such as soup, fruits and veggies you put up for winter, or even baked goods that freeze well. Examples of items swapped recently: Insh soda bread, decorated Christmas cookies, recipe ready roasted pumpkin, canned fruit, sour dough mother, lasagna, strawberry sauce, spice mix, applesauce, kombucha-sobvy, gluten free date balls, navy beans staged for freezing or soup, white bean casserole, kale pesto, chocolate fudge, vegan cookies, organic toothpaste and deodorant, festive corn salsa, fruit wine and more!

For more information, contact Betty Amore at bettyamore@mamasquash.com or call 630-688-3729.

DISCLAIMER: All goods are made in home kitchens by private individuals, not professionals. We expect all swappers to maintain the highest standards of cleanliness and food safety in the preparation of their items. Nevertheless, by participating in the food swap you acknowledge that the items available are not made in licensed kitchens or inspected by any government agency. Mama Squash Market does not provide any guarantees or assurances about the safety of food swap items.

NEXT SWAPS ARE SET FOR SAT, 2/14, SUN 3/20 AND SATURDAY 4/16

Edward-Elmhurst HEALTHCARE **Healthy Driven**

Willowbrook High School has partnered with the Young Hearts for Life® (YH4L) Cardiac Screening Program, a not-for-profit organization affiliated with Advocate Charitable Foundation, to offer free electrocardiograms (ECGs) to identify high school students at risk for heart conditions. This is a voluntary activity, and parental permission is required. Click the registration link above to sign your student up for this program. For more information, go to www.yh4l.org.
